Santa Claus’ visit to Wortham Village Hall

After telling stories and giving gifts to children at Wortham Village Hall (*see Sheila Rush Page*)

Santa then climbed on board his sleigh and made off into the clear, moonlit sky. If you listened carefully, you could hear the reindeer bleating and snorting as they flew to their next gig... (Just like some pop musicians!)

Would you be able to help your village hall?

Wortham Village Hall is run by a team of volunteers, who as well as managing the booking and day-to-day maintenance of the hall also organise fund raising events such our ever-popular Quiz Nights.

Without the energy and effort of this team the hall would not be able to operate, and the village would lose a valuable facility. We are looking for new people to bring fresh ideas to our committee.

If you have a little time to spare and would be interested in joining us please contact the chair of the management committee, Barry Higgs, on 01379 898261 or email barryhiggs_47@btinternet.com.

RICKINGHALL FURTHER EDUCATION GROUP

is delighted to announce the return of **Jo Statham**, who will deliver our next 10-week course entitled

ITALIAN CINEMA

Sophia Loren

Marcello Mastroianni

Gina Lollobrigida

Jo says “Italian Film spread successfully around the world after World War II. Directors such as Rossellini, De Sica, Visconti and Fellini influenced film makers internationally, and raised the medium to an art form.

Actors such as Marcello Mastroianni and Sophia Loren gave us a New Look in film stars. Starting from its early days in the silent era, we will see not only the innovations of Italy’s major film makers, actors, writers and technicians, but also how Italy and its culture have been represented by its cinema.”

The course Starts at **2pm on Thursday 10 January 2019** in **Rickingham Village Hall**. Half Term will be on 21 February. Lectures last two hours, with a break for **FREE** refreshments. The course fee is still only **£40**.

If you haven’t been to one of our lecture series before, please be assured that there will be no homework, detention or examinations. Just the chance to listen to an entertaining and diverting speaker for two hours each week and maybe learn a thing or two! Jo has delivered two courses for us before and we know we can expect an interesting ten weeks.

It does help us to know how many people to expect: please contact **Sue Emerson** on **01379 897010** or email her on **Emerson500@btinternet.com** if you think you’d like to come along and sample the first lecture – there will be nothing to pay if you decide the course is not for you.

Good Companions. The Good Companions Club along with guests and friends went to Brome Grange on Tuesday 4 December for their Christmas lunch. Chairman Betty Garnham welcomed everyone to the event and thanked the members for their support during the year and the committee who had worked so hard for the club. Vice President Vivian Bloomfield and her husband Davis also attended. Member Olive Howlett will celebrate her 90th birthday this month and was wished a happy birthday with a card and a gift. Mutual Merry Christmases were shared. The first meeting of 2019 will be on Tuesday 12 February back in Wortham Village Hall and it will also be the AGM.

Wortham Worship. This was held at St Mary's Church on Sunday 9 December and was taken by our Reader, Graham Reardon; the organist was Myra Pinnell. The Second Advent candle was lit and members of the congregation were invited to place their gifts for underprivileged children under the Christmas tree, and they will be delivered by the Salvation Army. Readings were given by Lyn Pelham Burn and Elizabeth Clark. Intercessional Prayers were given by Graham. The service ended with the Blessing followed by Coffee and Biscuits at the rear of the church.

St Mary's Church, Wortham. Once again, the church looked stunning with many flower arrangements and the candle cups ready for the Christmas services. Many thanks to all the ladies who decorate.

Carol Singing. Wortham residents gathered around the Christmas tree at Wortham Post Office Store on Friday 7 December with musical accompaniment. There was mulled wine and mince pies; donations amounted to £50 and this will be given to the East Anglian Air Ambulance.

Charity Fruit and Vegetable stall. The annual stall outside the PO Stores, which received donated surplus garden produce which was in turn sold to the public, raised £510 and this sum will be shared between East Anglian Children's Hospices and the East Anglian Air Ambulance.

Post Office Store. I would like to thank Janice and Peter Lloyd who run the Post office Store and their various events, the most recent of which are mentioned above. We are very lucky to have such a lovely couple running this thriving business. Also, many thanks to Mary Maidment as a key member of their team. I wish you all a Happy New Year.

Father Christmas. Santa made a welcome visit to Wortham Village Hall on Friday 21 December, arriving on his decorated sleigh, accompanied by his elf, Mary. He was given a rousing welcome by the waiting children, who then received biscuits and drinks as they listened to Santa's stories.

He also gave each child a present and they all sang Jingle Bells accompanied by Sue Heaser. Then Father Christmas drew the raffle tickets for the four Christmas hampers. The winners were 1st) Jane Spendlow with 377. 2nd) Jane Davis with 422. 3rd) Peter Finney 324 and 4th Vic Dyer 55. Further photos of Santa's departure can be seen elsewhere in this edition of WOBUL.

The event was organised by The Friends of Wortham Church which made £395 towards Santa's reindeer expenses, and they wish to thank their helpers and those who bought tickets.

Beyond the Wall – Winter Fayre

'So here it is Merry Christmas!' Just one of the sing-along offerings from our resident elves at the Winter Fayre on Sunday 9th December.

And it was merry, many visitors remarking on what a difference live music can make to an event.

I've described many 'firsts' this year, and this was the first Christmas bazaar. Like the other events it will take time and familiarity for visitor numbers to increase, but plenty of

people came to look at the crafts and food on offer, and to relax with a piece cake and a drink. Glasshouses can let you down if there's a lot of rain; today was a fine if cold day with enough sunshine to warm the houses and cheer the visitors. Raffle and tombola tickets sold as

vigorously as the refreshments, and there was

much interest in the stalls; enough we hope to encourage the stallholders to come again and help to establish the event in peoples' minds. We decided this year to give Wassail a rest, but that doesn't mean you can't celebrate it

yourselves – just soup, mulled cider and a blessing to the fruit trees, and some more mulled cider, as I recall.

It was tricky trying to sound Christmassy for the November issue of WOBUL, but by the time you've read this you will I hope, have had a good Christmas, and be ready to enter a new year. So let me on behalf of all at Beyond the Wall wish you all very sincerely - a

Happy, Lucky and Peaceful New Year!

Wanted - a few Good Samaritans.

This is an appeal for a few big-hearted people willing to help a volunteer group that runs a weekly cake and chinwag get-together every Wednesday afternoon in Wortham Village Hall.

The original stimulus was the revelation in the Parish Survey that more than 50 people in Wortham live alone and might appreciate a regular opportunity to get together with neighbours. Since we started Tea's Made almost two years ago, the number of regular and occasional participants has grown to more than 40 including several couples. The weekly average is about 20 some of whom rarely miss a week.

We need help in two areas. First, our small team needs Good Samaritans to help set out tables and chairs or provide short car rides for those with limited mobility.

We would also appreciate help in identifying others in Wortham who would enjoy tea or coffee and a piece of cake over a chat about almost anything. (We do try to avoid Brexit and Donald Trump but rarely succeed.)

The reward for being part of the Tea's Made team? The knowledge that a simple event makes such a big difference to many people in our community.

If you can help in any way please contact Miriam Quinn on 01379 898864 or at qmiriamq@btinternet.com.

TEA'S MADE

You are invited to a weekly meeting with a difference. There are no agendas, no objectives and nothing on sale. The event is nothing more than an opportunity to meet new neighbours or old friends over a cuppa and a piece of homemade cake in a relaxed atmosphere. We meet every week in Wortham Village Hall on Wednesdays, between 2 and 4 pm.

Some of our regulars are among the 50 or so people who live alone in the Wortham area and they look forward to a weekly outing to have a natter. We try to avoid discussions on health problems, Brexit or Donald Trump, but we don't always succeed!

And the price for this get-together over tea, coffee and cake? Anything you like. We must pay for village hall hire and refreshment supplies and they're covered by voluntary contributions.

For more information call Miriam Quinn on 01379 898864.

Or just join us on Wednesday afternoon.

No reservation is necessary.

BILL'S BIRDS, December & January

On 25th October I was phoned to be told that a Field Fare had appeared in a Hinderclay garden. The first of the real autumn migrants. It looks like a thrush but has a finer plumage. Typically, it had found an orchard and was busy having a feast then 'chuckling' to itself (a characteristic communal Field Fare 'chatter') and to anyone who wished to know that the year was moving on. The owner of the orchard was quite happy to have this raid, having already stored all the apples she wanted. I have since heard that in nearby fields there are flocks of recently arrived Field Fares and Redwings. Also, a flock of Yellow Hammers. This is interesting. Yellow Hammers are becoming very much rarer these days. I wonder how they can find so many of their number to be able to flock together. In the past I have seen winter flocks of Skylarks and Pied Wagtails.

At the end of October, we had a holiday treat: a few days on the North Norfolk coast. No need to travel far from Blakeney and Cley: here were areas for 'marsh' watching that could not be improved.

Cley has a magnificent Norfolk Wildlife Trust public observatory with 'bins' and telescopes to use while participating in a quick coffee or even lunch. A good all-round shop and expert advice on ornithological aids and use. Here those of more advanced years are catered for with a constant tv-type monitor of nearby pools. With the warm dry weather which we had, we made use of a long outside observation platform which was very pleasant.

The pools on our visit were filled with duck, (Widgeon, Teal, Mallard, Shovelers and Shelduck), geese and waders. Waders were plentiful, mostly the easily recognised Black Tailed Godwits and a darker plumage Golden Plover. Curlews, singly, searching food in marshy tributaries, recognised by their light brown colour, size and long curling bills, also by their call - a sound reflecting their isolation on mudflats, a typical sound and a reminder of nature's wilder habitats. Its call anywhere reminds me of those East Anglian wild marshes.

The two types of geese on the pools were the smaller Brent and the larger, and noisier, Pink-footed. The Brent were fewer in number and lower in flight, constantly moving from pool to pool. They have come from Eastern Russia and Canada flying over the 10,000 feet mountains of Greenland. Single flights of over 1,000 miles at a time have been reported.

The Pink-footed Geese, coming from Iceland and Eastern Greenland, travel higher in the sky in huge well controlled skeins, and then suddenly, as though on a command, breaking formation, and dropping in a kind of uncontrolled way with flailing wings, on to a convenient pool. This is known as 'whiffing', a new word to me (and checked with the BTO!). This occurs to me as being similar to the fall-out of starlings which descend from a murmuration.

Pink-footed Geese are well known on the sugar beet fields of North Norfolk—up to 112,000 at a time, which is 40% of their world population. Google on 'whiffing geese' and you will get a close-up in real time and in slow motion of the 'whiffing' action.

What a treat those three days were. How lucky with the weather and memories to look back on during the winter months.

Keep your feeders full, and I hope you all have your personal Christmas Robin.

WORTHAM VILLAGE HALL

A Chance to Support Your Village Hall

Raising funds for Wortham Village Hall - Charity No.1113478

BSEVC is a registered Charity No 1004198 – Co No 2636217

Are you missing a bus service? Can you get to your nearest large shopping centre or has your bus service stopped?

Can we help by picking you up from your house and taking you to Eye to connect with the bus services to and from Diss, or to Gislingham to connect with the buses to Stowmarket?

BSEVC Connecting Communities run fully accessible vehicles on which to book a seat you only have to phone us. We have one vehicle covering the whole of North Suffolk so therefore can suggest we may be able to help you by getting you to Eye to connect with the bus services to and from Diss and Bury St Edmunds or by taking you to Gislingham to connect with the buses to and from Stowmarket. If there is a group of you from the same area we may be able to take the vehicle all the way to Diss.

We do not take bus passes, carers and children under 5 travel free and the fares taken when travelling are: 1 to 5 miles £2.40, 6 to 9 miles £3.30, 10 to 14 miles £4.20, 15 to 20 miles £5.50

We realise the need for transport within your area and are working hard to engage volunteer drivers to drive their own vehicles to provide you with a community car service. This service should be up and running by the middle of July. The community car service is slightly more expensive than the minibus but is more flexible and will travel to and from destinations inside and outside of Mid Suffolk.

We have been running community car services from Stowmarket, Debenham, and Ipswich for several years and more recently have set up a service in Kesgrave. These services have proved very popular and are a lifeline to so many people who otherwise couldn't take trips to visit relatives and friends, enjoy the sociability of clubs, attend day centres, and for the energetic Stradbroke Leisure Centre.

The most valuable service this type of transport provides is to get passengers to hospitals, health centres, and dentists. For health appointments our drivers will wait for you for no extra charge and West Suffolk and Heath Road will not charge our drivers for parking. We also get requests to take people to parties and weddings or connect with buses and trains and even to catch planes at various airports.

The charges for the community car services are 54p per mile (45p plus VAT) charged from the driver's home to you to your destination and the return for the driver to his home if he is not required to wait for you. There is a booking fee of £1.20 (£1 plus VAT) for each single journey. Travel taken in the community cars will be invoiced to passengers the following month.

Our offices are in Stowmarket and to book any of our services please ring 01449 614271 between the hours of 09.00 and 16.00, we also have an email address bookings@bsevc.co.uk. One of our office staff Katie, Francesca, Cherie or Jan will be more than happy to help you. For groups wishing to make bookings for outings and social events we operate a much larger fully accessible minibus, a 15-seater. If you are interested in this service, please contact Fran on 01449 614271 or email francesca.callan@bsevc.co.uk
